## Book Review

### Alexander Who Used to be Rich, Last Sunday

By Judith Viorst

Illustrated By Ray Cruz

Anthony has two dollars and three quarters and one dime and seven nickels and eighteen pennies. Nicholas has one dollar and two quarters and five dimes and five nickels and thirteen pennies.

Alexander has... bus tokens.

And even when he's rich, pretty soon all he has is bus tokens.

He was rich. Last Sunday.

Grandma Betty and Grandpa Louie came and gave Anthony and Nicholas and Alexander each a dollar. Alexander was saving his. Maybe for a walkie-talkie.

He ends up wasting his money on bubble gum, some bets with Anthony and Nicholas (Alexander lost), a snake rental, a garage sale, all kinds of other things to spend money on, and even flushes some money down the toilet!

Alexander then tries to make money instead of spending it. He searches for change in telephone booths, tries to return bottles at the local grocery store, and even tries to pull out a tooth in hopes of getting money from the tooth fairy!

None of Alexander's plans to make money work; and he is left with only a deck of cards, a melted candle, a one-eyed bear and... bus tokens. When he used to be rich last Sunday.
